

# PPE SUPPLIES

*South Atlantic-Services*

Shipping to All 50 States in the US

## KN-95 Masks

Our KN95 face masks are medical grade, non-woven masks. These masks are thick, dust-proof and made from 3 layers of needle filter cotton.

- Maxi Healthy N95 Masks (10 per box)
- Maxi Healthy KN95 Masks (10 per box)

## 3 Ply surgical Masks

Each mask is constructed from 3-ply non-woven fabrics and features stretchable ear loops for a more customized fit. The pleated 3-ply design is latex-free and can be adjusted to fit most face sizes.

- 3 Ply Surgical Masks (50 per box)

## Coveralls – Medical Grade, Heavy Duty Reliable Protection

Industrial coveralls are lightweight, breathable and comfortable. They cover your body and clothing, and create a physical barrier to the transfer of microorganisms and other materials. *25 per case*

## Blue Surgical Disposable Gowns

Level 1, II III and IV available in bulk quantities  
3 day lead time, stateside storage.

- Level 1- Minimal Fluid Barrier Protection
- Level 2- Minimal to Low Fluid Barrier Protection
- Level 3- Moderate Fluid Barrier Protection
- Level 4- Highest Fluid and Microbial Barrier Protection
